Kent and John,

I want to start this email, again, with our deep appreciation for your enormous generosity and your associated belief in our partnered efforts with the Marine Corps Wounded Warrior Bn. Because of your previous gift we were able to do great things for our most deserving men and women. And now with your second investment, we will be able to continue to serve them. We are collectively indebted to you as well as Major General Mike Myatt who as you know has been inspirational to this project.

In closing, I look forward to continued reports to you of success stories of the wounded warriors thanks to your investment.

Semper Fi and Go Navy Air! Bucky
