Dear Sirs:

The Golden Gate Chapter of the Chief Warrant Officer's Association (CWOA) would like to take this opportunity to sincerely thank you for your generous donation of \$25,000 to our organization. As the most active chapter in the CWOA, we will put the money to worthwhile endeavors that consist of helping military families in need. Last year the dying wish of a member's child was to go to Sea World, and our chapter was able to make that happen for he and his parents before he eventually passed away. On another occasion we flew a member home to be at the deathbed of a dying grandfather who had raised him as a son. These are only but a fraction of the types of services your contribution will help us continue to support.

Our largest annual fundraiser called "Casino Night" happens May 3<sup>rd</sup> on Coast Guard Island this year. If any of your members are in the area and would like to attend, it would be my honor to sponsor them as my guest. The catered event is operated by a professional gaming company and hosted by our chapter, and winnings go toward raffle tickets for prizes provided by various sponsors. For more information please feel free to contact me directly.

I would enjoy learning more about your organization and stand ready to assist if you should ever need anything. Promoting a strong military continues to be the most important thing this country can do to ensure our freedom well into the future.

Kindest regards,
